

Golden Snowmobile Trail Society Sponsorship Package for the 2011 to 2012 Season

Supporting our Society not only benefits the entire community, but is an exciting way to market your business.

The Golden Snowmobile Society is a non-profit organization committed to grooming the local snowmobile trails at Quartz Creek, Gorman Lake & Silent Pass, as well as promoting snowmobiling in Golden.

We see an average of 7000 snowmobile enthusiasts go through one of our 3 gates each year. *These visitors spend in excess of \$1.4 million dollars in Golden. Working together we hope to see these numbers continue to rise.

With the upcoming season fast approaching, we are looking to local business support to help with our costs. In return we will help promote your business. Please see the detailed package information attached for the description of sponsorship opportunities.

If you have any questions regarding package details, or would like to find out how else you can help support our organization, please do not hesitate to contact us.

We look forward to working together!
